The race takes place at the [JadeWeserAIRPORT](#) (formerly Wilhelmshaven-Mariensiel Airfield) in Sande-Mariensiel.

Address:

Airfield

26452 Sande-Mariensiel

The runway is 1459m long and 30m wide. This provides even the most powerful vehicles with a generously sized braking and run-off zone. The track surface is coarse-pored and offers excellent grip.

You can always get a view of the track via the [180° Webcam of the JadeWeserAIRPORT](#). The camera provides an updated image every minute.
