The times are guidelines and may be changed by the organizer at any time, e.g., due to weather conditions!

You can find the detailed schedule here: <http://timetable.dragreg.eu>

Please click on the date of the corresponding race day.

The times listed are subject to change, e.g., due to additional participants or interruptions on the race track. Interruptions may result in longer waiting times or even premature termination of the race. Use the time to stroll through the shopping area or take a pit walk. In no other racing sport can you get as close to the race cars as in drag racing. Some teams also like to let you try out the seats and talk to the team members.
